

TEAM-BUILDING

FIGHT

...if you think that it is sometimes in the most stressing or the most unforeseeable circumstances that the real human qualities appear, that it is when difficulty appears that the team spirit is born.

Get rid of your doubts as for your abilities to face your professional challenges in the same way you will overcome the challenges we will impose on you.

Face the 4 elements:

the air, the earth, the fire and the water

Face your fears and the beliefs that sometimes block your action. Let your self confidence rise to the zenith.

All this within the optimal safety that has made the reputation of Durbuy Adventure.

Or... Fight survival, if you want to come nearer to your limits as well as those of the group.

*EX : A Bridge too far
